Accessible only within the University network only for UPT students and employees

1st question!!!
1. How to promote open access among the academic community?
My precious!
Open axes?! No-o-o!!
Open Access Possibilities

95th Anniversary project
UNIQUE educational courses, most of them written \textit{by hand}

2\textsuperscript{nd} question!!!
2. Images / pdf files: how to make them searchable? how to improve this aspect?
Open Access Possibilities

Old books repository:
627 books
1798-1927

3rd question!!!
3. Scan OR link?
To sum up

1. How to promote OA among the academic community?

2. Images / pdf files: how to make them searchable?

3. Scan or link already available documents?

4. How do you start an open access project?
